Sir,

In connection to the subject & the reference mentioned above I would like to state that Hon'ble Chief Minister Smt. Mamata Benerjee granted Alipurduar (the then one of the Sub-divisions of undivided Jalpaiguri District) the status of a District on 25.06.2014. DPSC, Alipurduar started its journey with 12 (Twelve) educational Circles & 840 Primary Schools from September, 2014. At that time the office was operated from two(2) rooms at the campus of Alipurduar Zilla Parishad office Building. Sri Samir Narjinary was nominated as the 1st Chairman of DPSC, Alipurduar & he joined the post on 5th September, 2014. After a few months Sri Nripen Sinha joined as the District Inspector of Schools (P.E.), Alipurduar and by default became the 1st Secretary, DPSC, Alipurduar.

After one year the office of the DPSC, Alipurduar was shifted to a building on rent at Damodar Debnath Sarani, Alipurduar. In February, 2016 DPSC, Alipurduar was granted its DDO Code by the concerned authority and started dealing the financial matters of its concern.

Then on March, 2018 the District Magistrate, Alipurduar arranged a govt. building at Alipurduar Court to set up the office of the DPSC, Alipurduar. From that time this office started operating the salary of the Primary School Teachers under its jurisdiction and all other relevant activities of this office.

In the year 2020 the office of the DPSC, Alipurduar was shifted at its own building, namely, 'VIDYASAGAR BHAWAN', a two storied building with sufficient space and accommodation. This office building was inaugurated on 02nd February, 2020.

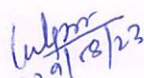

One of the major achievements of this DPSC, is to set up 05(Five) English Medium Schools in this district and all the schools are running successfully with huge number of students studying there. The schools have earned huge fame as a collective effort of the teachers teaching there and all the concerned officials. Besides, since its set up this DPSC has Smoothly conducted all the District Sports for all Primary & Junior Basic Schools, Madrasahs and SSks (including CWSN) of the District & number of students in the primary schools in this District has considerably increased in last 02 years (2022-23).

At present under the inspiration of Hon'ble Chief Minister Smt. Mamata Banerjee and Hon'ble Education Minister Sri Bratya Basu, this DPSC is aspiring to uplift the elementary education of this district to the next level.

Thanking you

Chairman

District Primary School Council
